

Addition Matching Game: 2 thru 9

Print two sets of the cards and cut them apart on the dotted line. Scramble the cards and lay them facing down. Take turns turning cards over two at a time to match pairs. Remove any pair of cards which match and play until all the cards have been matched and removed.

$$3+6=9$$

$$4+5=9$$

$$7+4=11$$

$$5+3=8$$

$$2+8=10$$

$$8+5=13$$

$$6+7=13$$

$$3+9=12$$

Addition Matching Game: 2 thru 9

Print two sets of the cards and cut them apart on the dotted line. Scramble the cards and lay them facing down. Take turns turning cards over two at a time to match pairs. Remove any pair of cards which match and play until all the cards have been matched and removed.

$$6+5=11$$

$$7+7=14$$

$$9+5=14$$
